IMPORTANT — READ CAREFULLY: This Microsoft Select Student License Agreement is issued to you, the student or faculty/staff employee, and documents the transfer of the product license(s) listed below pursuant to your school's volume licensing agreement with Microsoft. To the extent you are under the age of 18: (1) your acceptance of this Select Student License Agreement shall be made on your behalf by your parent or legal guardian and (2) the rights granted hereunder shall be inapplicable if this Select Student License Agreement has not been accepted on your behalf by your parent or legal guardian. The issuance of this Select Student License Agreement is conditioned upon your current status as a student at such school at the time this Select Student License Agreement is issued. This Select Student License Agreement is a legal agreement between you and Microsoft Licensing, GP ("Licensor"). For purposes of this Select Student License Agreement, the term "Software Product" shall mean the product(s) identified in Section 1 below, and the term "License" shall mean the right to make, use, or access a particular copy of the Software Product. The Software Product is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Software Product is licensed, not sold. By signing below and installing, copying, or otherwise using the Software Product, you agree to be bound by the terms of this Select Student License Agreement.

Software Product License

1. Grant of license.

Licensor hereby grants you the right to use one copy of the version number of the Software Product(s) identified below. Your right to use each Software Product shall be governed by and subject to the relevant section(s) of the most current product use rights set out in your school's volume licensing agreement with Microsoft and posted at <http://microsoft.com/licensing/contracts>.

Microsoft Vista Business Upgrade		English

2. Description of other rights and limitations.

- Limitations on reverse engineering, recompilation, and disassembly.** You may not reverse engineer, decompile, or disassemble the Software Product except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.
- Separation of components.** The Software Product is licensed as a single product. Its component parts, if any, may not be separated for use on more than one computer unless expressly stated otherwise in the use terms.
- Rental.** You may not rent, lease, or lend the Software Product.
- Support Services.** Customers acquiring software under the Microsoft Select License program are not entitled to free telephone support. Since you have acquired the Software Product under your school's Select volume licensing agreement, you shall not be entitled to free telephone support with respect to the Software Product. Subject to that exception, Microsoft may provide you with the same free product support services, if any, as are generally available from Microsoft to retail customers in the area in which your school is located. Any supplemental software code provided to you as part of such support services shall be considered part of the Software Product and subject to the terms and conditions of this Select Student License Agreement. With respect to technical information you provide to Microsoft as part of any such support services, Microsoft may use such information for its business purposes, including for product support and development. Microsoft will not use such technical information in a form that personally identifies you.
- Software Transfer.** Notwithstanding any terms to the contrary in your school's volume licensing agreement with Microsoft, you may not sell, assign, or otherwise transfer your rights under this Select Student License Agreement. In view of the fact that you have acquired the right to use the Software Product under special terms pursuant to your school's volume licensing agreement with Microsoft, any transfer of your rights under this Select Student License Agreement is strictly prohibited.
- Termination.** Without prejudice to any other rights, Microsoft may terminate this Select Student License Agreement if you fail to comply with the terms and conditions of this Select Student License Agreement. In such event, you must destroy all copies of the Software Product and all of its component parts.

3. Upgrades.

If the Software Product is labeled as an upgrade, you must be properly licensed to use a product identified by Microsoft as being eligible for the upgrade to use the Software Product. A Software Product labeled as an upgrade replaces and/or supplements the product that formed the basis for your eligibility for the upgrade. You may use the resulting upgraded product only in accordance with the terms of this Select Student License Agreement. If the Software Product is an upgrade of a component of a package of software programs that you licensed as a single product, the Software Product may be used only as part of that single product package and may not be separated for use on more than one computer.

All operating system licenses provided under this Select Student License Agreement are upgrade Licenses. **No full operating system licenses are available under your school's volume licensing agreement with Microsoft.**

4. Copyright.

All title and copyrights in and to the Software Product (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into the Software Product), and any copies of the Software Product are owned by Microsoft or its suppliers. The Software Product is protected by copyright laws and international treaty provisions. Therefore, you must treat the Software Product like any other copyrighted material except that you may install the Software Product on a single computer provided you keep the original solely for backup or archival purposes.

5. Limited warranty.

LIMITED WARRANTY. Microsoft warrants that (1) the Software Product will perform substantially in accordance with the applicable user documentation published by Microsoft for a period of ninety (90) days from the date you first acquired the Software Product, and (2) any Support Services provided by Microsoft shall be substantially as described in the applicable user documentation published by Microsoft, and Microsoft support engineers will make commercially reasonable efforts to solve any problem issues. Some states and jurisdictions do not allow limitations on duration of an implied warranty, so the above limitation may not apply to you. To the extent allowed by applicable law, implied warranties on the Software Product, if any, are limited to 90 days. Notwithstanding the foregoing, Microsoft under no circumstances warrants the media on which the Software Product has been distributed to you.

CUSTOMER REMEDIES. Microsoft's, its suppliers', and your school's entire liability and your exclusive remedy shall be, at Microsoft's option, either (1) your school's return to you of the price paid, if any, or (2) their replacement of the Software Product that does not meet Microsoft's Limited Warranty and which is returned to your school with a copy of your receipt. This Limited Warranty is void if failure of the Software Product has resulted from accident, abuse, or misapplication. Any replacement Software Product will be warranted for the remainder of the original warranty period or 30 days, whichever is longer. If the media on which the Software Product has been distributed to you fails, you should return the Software Product to your school with a copy of your receipt any time prior to the expiration of the 90 day warranty period for (1) refund from your school of the price paid, if any, or (2) their replacement of the flawed media

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHERS, WHICH VARY FROM STATE TO STATE.

LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL MICROSOFT OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, OR ANY OTHER PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE PRODUCT OR THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES, EVEN IF MICROSOFT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
